- Discipline and methodical skills developed in the military

EDUCATION

GENERAL ASSEMBLY
Web Development Immersive

SIMMONS COLLEGE
Master in Management

BROWN UNIVERSITY
BA in History, Certificate in Teaching

WORK EXPERIENCE

WEB DEVELOPMENT IMMERSIVE

General Assembly, RI | 5/2018 - 8/2018

- Demonstrated knowledge of several programming languages and technologies that set strong foundations toward becoming a Full Stack Web Developer
- Created RESTful APIs and integrated third party APIs into my apps
- Worked collaboratively and individually in creating and delivering projects that met strict requirements
- Implemented the Git flow model of version control that utilizes develop and feature branches and keeps the master branch pristine

PROJECTS

- Using a different technical stack and adding nesting collections to the API, continued the development of the Interpreter Assistant app so it can eventually be used under real-life conditions at Dana Farber. Technologies used include Express, Mongoose/MongoDB and JavaScript/jQuery.
- Collaborated with two other developers in the design and development of an Inventory Management System app
- Built a Rails and PostgreSQL app to help prep medical interpreters prepare for their interpreting assignments.
- Built a Tic-Tac-Toe game that made AJAX calls to an external API.

OWNER, INTERPRETER, INSTRUCTOR

Ortiz Services, Inc., RI | 2004 - present

- Operating under Ortiz Interpreting Services, provide interpreting services in depositions and arbitrations (2004 - present).
- Operating under Agora Career Academy, partnered with the RI Department of Labor & Training to provide workforce development training for manufacturing workers transitioning to positions requiring computer and/or Microsoft Office proficiency. Accomplished nearly 100% MOS certification rate (2009 - 2017).
